that the publications listed therein have been
considered and made of record.

Each of the cited publications is considered relevant or
material to the patentability of the present invention in view of
the citation thereof in said communication and for the reasons
stated in said communication.

A copy of the U.S. patent documents identified on said form
PTO/SB/08A are not enclosed herewith since the USPTO waived the
requirement to file copies of U.S. patents and U.S. patent
application publications.

It is therefore respectfully requested that the cited
publications be considered and made "of record".
